

## **SCHOOL TRAVEL NEWS .... Update**

### **Response from Katherine Warrington School**

As you may be aware RSRP recently challenged KWS about the lack of preparation for traffic management for the opening of the new school. We have now (2 October) had a response to our open letter, which as promised we are publishing.

Dear Mr Cairns

Thank you for your email. I acknowledge that we will continue to work with our parent body to reduce the impact of our school on the roads and neighbours in the local vicinity.

Thanks

Tony Smith

We do not know if there is more to follow, but will publish further information as it becomes available. In the meantime if you feel you have been adversely affected by the traffic associated with the school please ensure the school are made aware of the circumstances so that they can focus their efforts on impact reduction in the short term. You can also contact local Councillors on any matter which is affecting you as a constituent.
